## FOLLOWING THE HOUNDS.

It is not alone in exceptional recreations like fox hunting, that a woman needs steady nerves, strong muscles and a healthy, vigorous constitution. She needs them in her every day duties and pleasures. Recently a Buffalo lady called upon Dr. R. V. Pierce of this city and stated that she was so nervous that after months of trial she could not learn to ride a bicycle.

She was put under a scientific course of treatment, consisting of Dr. Pierce's Golden Medical Discovery, for her nerves and her "Favorite Prescription" after meals. The "Favorite Prescription" promptly cured the weakness and disease of the organs distinctly feminine, from which she suffered and restored strength and steadiness to the nerves. The "Golden Medical Discovery" cleansed the blood, making it pure, rich and invigorating, and built up solid, muscular flesh. The lady now rides her bicycle with grace and ease and without trepidation. Both medicines are for sale by all medicine dealers. Dr. Pierce answers letters from ailing women without charge.

"I suffered with a bearing down pain in my pelvis and a hurting in my back and loins," writes Mrs. Tillie Cunningham of West Chester, O., Miss. "Whenever I would take a walk or ride very far it would always make me sick. After using Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' for three months I can ride or walk and feel well after meals. My appetite is good, all of my bad feelings have disappeared and I am strong and well."

You can secure Dr. Pierce's Common Sense Medical Adviser free by sending stamps to cover mailing. Paper covered, 21 one-cent stamps; cloth covered, 41 stamps. Address: Dr. R. V. Pierce, Buffalo, N. Y.

## LETTER FROM FAUQUIER.

(Correspondence Alexandria Gazette)

MARSHALL, Jan. 17.—The patrons of the most venerable of Virginia newspapers, the Gazette, send cordial New Year greetings to the editors. Its readers, who represent the great grandchildren, still welcome its tri-weekly issue as a benediction—one of the latter class, our small boy, always calls out for the first reading of its pages—we would here thank most gratefully the correspondent from Washington and the learned author of outlines of the early history of Virginia, destined to be most valuable contributions to the archives of the Society for the Preservation of Virginia Antiquities—to him we would say as our little girl was wont to say of what was interesting, "Acroftaden."

Thus far our winter weather in this Piedmont section has been, apart from heavy rains and cold snaps, pleasant enough. Graziers have little labor to feed stock cattle. Some ploughing has been done for the coming crops of corn, spring wheat and oats. The busy merchants of Marshall, in goods, wheat and other grains, are prosperous, and it is hoped to have in the early spring two or more much needed buildings erected; viz, a depot, a town hall and other improvements.

The Hunt Club of Warrenton, under the inspiration of a bevy of Englishmen and the gentlemen of the neighborhood, have had weekly fox hunts of the most exciting character. Rarely can be seen more splendid horses and graceful riders, of gentlemen and ladies in handsome riding suits and well-trained thoroughbred dogs. Among the ladies the Misses Barry and Blackwell take the lead and win the brush now and then.

There have occurred quite a number of cases of typhoid fever in our midst, perhaps due a good deal to overcrowded homes and neglect of ventilation and impure water used from wells and pumps not properly cleaned, just what occurred in Warrenton some years ago with fatal results to some.

A quotation from a letter from a Cuban friend, a refugee in this country, may interest your readers. He says: "Our new Captain-General Blanco is a very different man from Weyler. He is doing his best to bring about peace by offering autonomy and has authorized the planters to grind, but the rebels declare they will destroy every estate that attempts to make the present crop of sugar. I put my trust in a kind Providence." What is needed, and the writer says when cruising and touching at Cuban ports and in the country, is a few more Christian men like Diaz and our friend Capillini, of Italy, to give the poor Cubans the Bible and rid them of the miseries of priestcraft.

At night on Sunday, the 30th inst., Rev. Frank Berkeley, so well known in Alexandria as a faithful minister, will hold services in our Baptist Church and will be aided in them by Rev. J. J. Norwood of the Episcopal Church, Rev. H. M. Strickler, Methodist, and Rev. J. N. Campbell, of the Presbyterian Church. We are pleased to add that the health of Mr. Berkeley's daughter begins to improve.

Consumption Positively Cured. Mr. R. B. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all good remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business and earning Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and Consumption. It doesn't fail. Trial bottles free at E. L. Allen's Drug Store.

Persons who are troubled with indigestion will be interested in the experience of Wm. H. Penn, chief clerk in the railway mail service at Des Moines, Iowa, who writes: "It gives me pleasure to testify to the merits of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For two years I have suffered from indigestion, and am subject to frequent severe attacks of pain in the stomach and bowels. One or two doses of this remedy never fails to give perfect relief. Price 25 and 50 cents; for sale by J. H. Janney, Druggist, 701 King Street.

To give you an opportunity of testing the great merit of Ely's Cream Balm, the most reliable cure for catarrh and cold in the head, a generous 10 cent trial size can be had of your druggist or we mail it for ten cents. Full size 50 cents.

ELY BROTHERS, 56 Warren Street, New York City. It is the medicine above all others for catarrh, and it is worth its weight in gold. I can use Ely's Cream Balm with safety, and it does all that is claimed for it.—B. W. Sperry, Hartford, Conn.

Mrs. M. B. Ford, Rutland, Ill., suffered for eight years from dyspepsia and chronic constipation and was finally cured by using Dr. Williams' Little Early Risers, the famous little pills for all stomach and liver troubles. Charles G. Lennon.

## TOBACCO AND CIGARS.

### CIGARS

That is made of good material are the best advertisement that any firm could have. We do not deny the benefits to be derived from an announcement in a newspaper, but no journal can be expected to increase business unless the merchant does his share, and lives up to the advertisement he publishes. This we do. Our

are just what we advertise them to be—the purest, most fragrant and cheapest cigar for the price made in this or any other section. They were the first in this market, and as to their popularity, just notice how many men pass you with cigars between their teeth, marked "HAMILTON & CO."

### BARGAINS FOR 1898.

Woolen fabrics of all kinds will show very marked advances in the near future and nearly all goods in stock will have to be replenished at much higher cost, but we wish to reduce stock before our annual inventory, February 1st, so we have placed on our front counter a large line of wool dress goods that have been good sellers at 50c, at the low price of 39c. This is a saving of nearly 25 per cent. and makes the goods cheaper than 25c dress goods, as these are much wider, and take smaller quantities for a garment.

On our front counter we have also put a lot of odd patterns of 75c and \$1 dress goods at a large reduction.

A large consignment of rugs, which if unsold, will be returned January 31. To close out this line we will give a special discount of 10 per cent. on Smyrna Rugs, all sizes, Moquette Rugs and Mats.

25 per cent. off on cloaks and capes.
